MEMORANDUM FOR: Deputy Director of Central Intelligence
Chairman, National Intelligence Council
Vice Chairman, National Intelligence Council

FROM: Director of Central Intelligence

SUBJECT: 1984 Production Projections

1. In response to Herb Meyer's memorandum on 1984 production projections, we should look at Herb's statement, "The NIOs simply do not have sufficient help to perform all aspects of their jobs efficiently", and see whether anything should be done about this situation.

2. Looking at the schedule and the bulge in May and June, it looks to me, on the basis of the draft I see, that May should be fairly well in hand. As for June, it would seem to me that there are a few that should receive priority attention, i.e., Afghan/USSR, Palestinians, Cuba Military/Caribbean, Soviet Policy Toward the US, USSR/Discontent, and perhaps a Memorandum to Holders on Argentina and the Philippines. I read Soviet Global Military Reach and there should not be great difficulty getting that ready for June.

3. I would like to hold the July date for South African Regional Relationships and Grenada Retrospective. I would like to hold to the June date the Memorandum to Holders on Anti-US Terrorism.
